Brochures for The Ritz Theatre are coordinated with George Culver, the Director of the Theatre. In addition to the brochure I provide all graphics sized for use on website, ticketforce site, and newspapers. I also assist in the set up of the events and performances on The Ritz’s ticketforce account. There are 6,000 brochures printed for each season. I arrange printing quotes from printing sources and then provide pdf files for printing.
Logo developed for local church in Alexandria, the logo is used in bulletins, and for apparel that was screen-printed and embroidered, edits were made to the logo to accommodate those processes.
Programs contained pictures of students, ads for various businesses and students in quarter page to full page. Preparation of programs for printing were typically done within a 3-5 week time span to include proofing.
Poster Contest for the Monterey Jazz Festival. This project was a nice break from the normal, although my artwork was not selected for use I believe that it has been a nice addition to my portfolio pieces.
Product Brochure for a division of The Supply Room, Inc.:

Booklet was printed with a high gloss UV finish, presented in a binder with specification sheets on each item in the booklet and presented in English and Arabic, we had assistance in the translation to Arabic. A slide presentation for custom designed uniforms accompananed this binder/booklet, a small sampling of the uniforms drawn are shown.

Specifications in the binder, and the SRL Logo were prepared by fellow team members.
